Montréal Communiqué

24 February 1971

For release at will

60-HOUR HOCKEYTHON
FOR YMCA FUND DRIVE

Bolstered by four all-girl teams, young people from Verdun and LaSalle intend to play more than 2½ days of non-stop hockey to raise funds for the YMCA.

Youthful organizers of the gruelling marathon are targeting to top the 60-hour record they set last year.

Opening face-off will be on Friday February 26th, 4.00 p.m., at Crawford Park's Queen Elizabeth Rink. Entrance is near Penniston Ave, and Crawford Bridge.

Local residents are sponsoring relays of participants at varying amounts per hour for time spent on the ice.

Proceeds will be turned over to the YMCA, which urgently requires $400,000 to carry on its diversified range of services and programs in Greater Montreal.
